

WELCOME

We are grateful for the opportunity to be your guardian in health, your partner in healing and your ally in long-term recovery. **ABSOLUTE HOME HEALTHCARE INC.** is a home health care provider based in Lorton, Virginia with an able staff of nurses, home health aides and care coordinators who work together to achieve your very best health.

We attend to the needs of our diverse clientele. Many of them struggle with disability and mobility limitations. Others are simply getting used to the way of life in their golden years. Others still require closer health monitoring before they finally regain their self-care skills. In all of these situations, we have just the personalized care plan at hand. At **ABSOLUTE HOME HEALTHCARE INC.** we do what we can to solve your health dilemmas by providing customized approaches to your care needs.

Care at Home

As much as possible, we will keep you close to your family. When your physician permits that you continue your recovery or treatment at home, Absolute Home Healthcare, Inc. will provide the staff who can assist you. We help shorten your hospital stays so you can be closer to your loved ones.

In-Patient Care

When you're confined in an inpatient facility, Absolute Home Healthcare, Inc. can make arrangements for your stay as well. We have a specially trained care team and support staff to provide you with services that increase comfort and hasten your recovery.
